

Situated in Rochester, close to the regional centres of Bendigo and Echuca, and only two hours from Melbourne, Rochester and Elmore District Health Service is an integrated rural health service.

REDHS provides a broad range of acute, aged, primary and public health programs to a population of approximately 6,500 people in the Campaspe and Bendigo Shires.

The organisation is currently undergoing a full redevelopment program at a cost of \$21.7M providing state of the art facilities to the local catchment population, which includes the larger townships of Rochester, Elmore, Lockington, Corop and Colbinabbin. The redevelopment program includes new Acute Ward with an Accident and Emergency bay, new 30 bed Nursing Home, new Operating Theatre and will include a large Primary Care centre with eleven consulting rooms and two treatment areas.

REDHS "Vision for the Future" Strategic Plan aims to ensure recognition for excellence, high quality and sustainable services through integrated and collaborative working relationships.

District Nurse

Our District Nursing Service is passionate about providing person centred nursing care that enables people to remain independent within their own homes for as long as possible. We are currently seeking a Registered Division 1 Nurse to become a part of this team.

To be successful in this role, you will need the relevant qualifications and experience; the ability to work as an independent practitioner and a strong commitment to quality outcomes for community based clients.

A copy of the position description and any enquiries can be directed to Colin Jones, NUM District Nursing Service on 5484 4465.

Applications

Applications that address the key selection criteria and include a resume should be forwarded to Ali Dobson, HR Manager, P.O. Box 202, Rochester 3561, or via email to adobson@redhs.com.au. Applications close Monday 29th March 2010.
